

# HOUSING COOPERATIVES AS A MODEL FOR CREATING AFFORDABLE AND ADEQUATE HOUSING IN UKRAINE

November 12 - 13, 2018

Kyiv, Ukraine

Join us for a two-day symposium on housing cooperatives as a model for managing complex energy refurbishments in multi-family buildings in Ukraine. Speakers from Sweden, Norway, Estonia, Austria, Poland, U.S.A., and Germany will present the cooperative housing model from their country, how they have contributed to urban renewal, and how they are implementing energy conservation measures. This event takes place in conjunction with UNECE's Forum on Energy for Sustainable Development.

**Nov 12 - Audytoria Conference Hall in Hotel Bratislava**

**Nov 13 - Ministry of Regional Development, Construction, Housing and Communal Services, 24 Dilova Street**
